INFORMATION DISCLOSURE STATEMENT

This statement is filed under 37 C.F.R. §§ 1.97-1.98 in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

Applicants' identification of documents is made in an abundance of caution, and is intended to ensure that the Examiner is informed of art known to applicants during prosecution of the instant application that could fall within the ambit of their duty of candor. It does not constitute an admission that any of the documents listed on the attached Form PTO/SB/08a is material or constitutes "prior art." In addition, this submission does not represent that a search has been made or that no better art exists. If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the claimed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

A Request for Continued Examination (RCE) and associated fee is filed herewith. Accordingly, no fee relating to the IDS is believed to be due. However, if there is a fee due in connection with the filing of this IDS, Applicants hereby authorize the Commissioner to charge the fee to Deposit Account No. 13-2490.
